

Students will have a number of different options during this year's summer school. We offer:

- Self-paced courses are offered in a one-on-one environment
- Upgrading of courses unsuccessfully attempted during the regular school year

We are pleased to offer this year's summer school program at the Eighth Avenue Learning Centre where students will have access to instructors and a comfortable, bright, air-conditioned place to work.

For further information, please contact the Eighth Avenue Learning Centre at **723-3744**
